DOB : 04-06-2005

Summary

A dedicated Robotics and Automation engineering student with a specialization in Artificial Intelligence. My expertise spans industrial automation, including deep proficiency with Siemens PLC systems and FESTO - Modular Production Systems. I also possess practical experience working with various robotic platforms such as Yaskawa, Dobot, and Igus. I'm keen to leverage my hands-on skills and comprehensive technical understanding to contribute to innovative industrial solutions.

Education

- B-Tech Robotics and Automation (Specialisation in Artificial Intelligence)** CGPA: 7.26
Karunya Institute of Technology and Sciences, Coimbatore 2022-2026
- Higher Secondary Certificate** Percentage: 66.67%
Good Shepherd Matriculation Higher Secondary School, Marthandam 2021-2022
- Secondary School Leaving Certificate** Percentage: 57.60%
Good Shepherd Matriculation Higher Secondary School, Marthandam 2010-2020

Experience

- Yaskawa India Private Limited - Internship** On-Site
June 2025 to July 2025
 - * Gained hands-on experience in Operating Yaskawa Motoman MH24 (DX200 controller) with automatic tool changers and grippers (including welding applications), Observed AC drives manufacturing and Production Support Software integration.
- Tamil Nadu Newsprint and Papers Limited - Internship** On-Site
June 2024 to July 2024
 - * Gained hands-on experience with industrial automation, including PLC systems, ASRS, conveyors, sensors, and paper machine operations.
- SIEMENS PLC Training** On-Site
April 2025
 - * Gained hands-on experience in Siemens PLC systems (S7-300, S7-400, S7-1200, S7-1500), including programming, SCADA, drive control, web configurations, and TIA Portal.
- IoT and Robotics Club** On-Site
Jan 2023 - Dec 2024
 - * Active member of the IoT and Robotics Club at the Computer Technology Centre, Karunya, engaging in hands-on projects and collaborative learning in IoT and robotics technologies using NVIDIA Jetson Nano and Raspberry Pi.
- Google Developer Student Club - GDSC** Hybrid
Sep 2023 - Present
 - * Successfully completed the Google Computing Foundations and Generative AI Level 3 Pathways within the Google Developer Student Club (GDSC) program and awarded with Google Swags.
- Robotic and Automation Systems** On-Site
 - * Proficient in Siemens PLC systems and FESTO - Modular Production Systems for industrial automation.
 - * Gained Hands-on experience in working with Yaskawa Motoman GP8 (YRC1000 Controller), Yaskawa Cobot HC10 (YRC1000 Controller), Yaskawa Motoman MH24 (DX200 controller), Igus Delta Robot, and Dobot Magician robots.

Projects

- Autonomous 2D mapping Robot using MATLAB and DFS Algorithm
- Autonomous Floor Drawing Robot
- Human Detection in Disaster Areas Using Jetson Nano
- Built a Raspberry Pi 4-Based Face Detection System
- Humanoid Robot
- CAN Protocol using STM32 and ESP32
- Mimic Robotic Arm
- Student ID Card Detection and Management using custom YOLOv8 model
- Kinematic Analysis of Dobot Magician
- Smart Plant Monitoring System
- Wireless PC Cursor Control using Head Movements
- Digital Level Scale
- Steam Engine Prototype Demonstration
- Light Tracking Robot
- DTMF Based Home Automation System
- Bluetooth Controlled Grass Cutting Robot
- Obstacle Avoidance Robot
- Line Follower Robot

Certifications & Online Courses

- Google Cybersecurity Professional Certificate
- Microsoft Azure Fundamentals Certification
- AWS DeepRacer: Driven by Reinforcement Learning
- Getting Started with AI on Jetson Nano (NVIDIA)
- AI For India 2.0 Program (GUVI)
- Problem Solving Using Computational Thinking (Coursera)
- Python Courses (Kaggle, Simplilearn, GUVI)
- Linux Tutorial (Great Learning Academy)
- Introduction to Industry 4.0 and Industrial IoT (NPTEL)
- Network Addressing and Basic Troubleshooting (CISCO)
- Autodesk Fusion 360
- Speaking Effectively (NPTEL)

Skills Summary

- **Languages:** Python (*Intermediate*), C (*Basic*), C++ (*Basic*), PLC (*Advanced*), Latex (*Basic*), HTML (*Basic*)
- **Tools:** GITHUB (*Intermediate*), Arduino Ide (*Advanced*), Thonny Ide (*Basic*), Lab View (*Basic*), Fusion 360 (*Intermediate*), Solid Works (*Intermediate*), Auto CAD (*Intermediate*), Keil Vision (*Intermediate*), TIA Portal (*Advanced*), MATLAB (*Basic*)
- **Platforms:** Linux (*Intermediate*), Windows (*Intermediate*), Arduino (*Intermediate*), Raspberry Pi (*Intermediate*), Nvidia Jetson Nano (*Intermediate*), ESP32 (*Intermediate*), ESP8266 (*Intermediate*), STM32F407T6 (*Basic*)
- **Hard Skills:** Computer Vision (*Intermediate*), Robotics (*Intermediate*), Hydraulics and Pneumatics (*Intermediate*), PLC (*Advanced*)
- **Soft Skills:** Leadership, Team Collaboration, Project Management, Problem-Solving, Time Management

Honors and Awards

- Project Exhibition Award at MindCraft, Karunya Feb 2024
- Outstanding Performance in the Life Induction Program at Karunya Aug 2022

Volunteer Experience

- **NCC Brass Band** Karunya, Coimbatore
Positioned as Eufonium Player and performed for Republic Day, Independence Day Aug 2022 - Present
- **Rotaract Club** Karunya, Coimbatore
Member of the Rotaract Club at Karunya, participating in community service activities. Aug 2023 - Jun 2024
- **National Service Scheme** Karunya, Coimbatore
Member of the NSS Club at Karunya, participating in Social service activities. Aug 2022 - Jun 2023
